

Summer Course 2025 Schedule

11th Grade | 1st April to 30th April, 5 PM to 6 PM

Week 1

Date (Day)	Subject	Topic
1st April (Tuesday)	Chemistry	Some basic concepts of chemistry- Properties of Matter and their Measurement
2nd April (Wednesday)	Maths	Introduction to Three Dimensional Geometry
3rd April (Thursday)	Biology	Structural Organization in Animals
4th April (Friday)	Physics	Gravitation

Week 2

Date (Day)	Subject	Topic
7th April (Monday)	Physics	Kinematics
8th April (Tuesday)	Chemistry	Some basic concepts of Chemistry - Significant Figures and Introduction to Mole Concept
9th April (Wednesday)	Maths	Introduction to Three Dimensional Geometry
11th April (Friday)	Assessment	-

Week 3

Date (Day)	Subject	Topic
15th April (Tuesday)	Chemistry	Introduction to Equilibrium
16th April (Wednesday)	Maths	Straight Line
17th April (Thursday)	Biology	Structural Organization in Animals

Week 4

Date (Day)	Subject	Topic
21st April (Monday)	Physics	Newton's Laws of Motion
22nd April (Tuesday)	Chemistry	Laws of Chemical Equilibrium
23rd April (Wednesday)	Maths	Straight Line
24th April (Thursday)	Biology	The Living World
25th April (Friday)	Biology	Biomolecules

Week 5

Date (Day)	Subject	Topic
28th April (Monday)	Physics	Work, Energy and Power
29th April (Tuesday)	Assessment	-
